

# HAWKSHEAD

GIBBSTON VALLEY  
CENTRAL OTAGO

---

## Hawkshead Pinot Gris 2009

### Tasting note

Sub-region Gibbston Valley

Colour Bright youthful white gold

Flavour profile

A nose of white blossom and creamy marscapone which carries pleasantly to the palate. This wine has a lovely light textural aspect, and ample fill, a tantalisingly soft touch to the front palate is balanced by a fine mineral finish.

Comments The grapes were hand picked at a warm and sunny site, whole bunch pressed and settled for 48 hours then cool fermented in stainless steel to preserve natural vibrancy.
